

IMPORTANT EMPLOYEE NOTICE

The following is an overview of the exciting AFLAC plans available through payroll deduction:

- **Disability** – For many employees, a temporary loss of income could have long-term financial consequences. This policy provides a monthly benefit amount when the employee is disabled due to a covered accident or illness and unable to work. This plan is also guarantee issue.
- **Accident Protection Plan** - This plan covers you and your family, on and off the job, for any accident that requires you to seek treatment. The plan pays for emergency treatment, follow-up visits, hospitalizations, physical therapy visits, rehab, ambulance, accidental death, etc.
- **Cancer Protection Plan** - This plan pays cash directly to you to help with out-of-pocket expenses associated with cancer or cancer detection. This plan will pay cancer screenings, first occurrence benefit, hospital confinement, surgical benefits and much more.
- **Hospital Advantage Plan** - This plan covers you for hospitalization for any reason, accident, sickness, surgery, maternity, etc. The plan pays a lump sum to offset your deductible on health insurance. It also includes a daily hospitalization benefit for every day you are hospitalized.
- **Life Insurance** – Both Whole Life and Term Life insurance are now available through payroll deduction from Aflac. **No Physical required!** Coverage is also available for your spouse and children.
- **Dental Insurance** – Aflac’s Dental Plan has absolutely No Networks and No Deductibles! You can choose any provider without limitation and the plans pay cash benefits directly to the policy holder. In addition, there are No annual premium reviews. AFLAC dental rates have NEVER increased. That’s reliable stability.
-

AFLAC does not change or affect your current medical coverage. The plans pay cash directly to you to cope with the out of pocket expenses of being hurt or sick.

***Please reach out to our AFLAC Representative, Anthony, for available plan options, rates, etc. His contact information is listed below.**
